	YMCA of Greater Boston
	Youth Villages

Some of the most touching moments are when we give your blankets to individual children or families that we hear about either by personal knowledge or read about in the newspaper. If you know of a child in need of a handmade hug, please contact us!

***"The best kind of sleep under heaven above,
is under a blanket handmade with love."***

Updated October, 2024

What is Project Linus?

Project Linus began in 1995 after Karen Loucks was inspired to make blankets for her local children's cancer center. Since then, Project Linus has expanded to include children who are seriously ill or traumatized in many ways.

Greater Boston Chapter

The Greater Boston Chapter is in need of new handmade blankets to donate to children at local area hospitals and to other children in need of comfort.

Please contact Nancy or Dianne for more information on drop-off locations. Also, feel free to call with any questions or suggestions.

Although most of the blankets donated to the Greater Boston Chapter stay with local children, sometimes we do send blankets to other chapters. For example, we sent blankets to victims of natural disasters such as floods. Look at the numbers below – our blanket makers are amazing! Thank you!

Blanket totals - as of October 2024

Nationally since 1995 - Over 9 million

Greater Boston Chapter, since 2001 -
Over 100,000

**** A HUGE THANK YOU to ALL blanket makers!
Your creations bring love and comfort to
children. ****

How You Can Help

Donate a handmade blanket.

Please see "Blanket Guidelines" for details.

Pick up blankets from one of our drop-off locations.

Sew labels on donated blankets.

Deliver blankets.

We need people to deliver blankets to hospitals or other recipients.

Become a drop off location or Chapter Assistant! Call for more details!

Donate supplies.

Donate fabric, yarn, thread, batting, thank you notes, postage stamps, gift certificates to craft or office supply stores, etc.

Make a Tax-Deductible Contribution.

Monetary contributions and memorial donations help defray the costs of our 100% volunteer effort.

IMPORTANT NOTE:

Blankets with the smell of smoke or strong chemicals (especially perfumed fabric softeners) or have pet hair on them may cause a severe allergic reaction for children, so we cannot accept them! Please wash your blankets before bringing them to one of our drop-off locations. Thank you!

Recommended Blanket Sizes

(measurements are approximate)

36" x 36" (baby)

40" x 60" (child)

45" x 70" (teen)

66" x 90" (twin bed)

Blanket Guidelines:

DO Make blankets from NEW, CLEAN, WASHABLE materials in infant, child or teen friendly colors. Remember, these blankets are meant to be colorful, and cheerful.

DO Crochet, knit, quilt, or tie your blankets.

DO Make blankets from 100% cotton fabric, flannel, polar fleece, or acrylic yarn.

DO Make SURE your blankets are clean. **We cannot accept blankets with pet hair or the smell of smoke or perfume on them.**

DO Secure the batting into outer seams. If blanket is tied, please anchor it every 4-6 inches, so it doesn't fall apart when washed.

DO Weave in all yarn ends on crocheted and knitted blankets.

DO Check your blanket **carefully** for straight pins! It's better you find that pin and not the child who receives your blanket.

DO Let us know your contact information so we can thank you. Please include a note when delivering a blanket. Simply safety-pin a small piece of paper to your blanket or include a note in the bag you drop-off.

DO NOT Attach buttons or similar decorative items to a blanket. They can be a choking hazard to children.

DO Construct your blanket so it lies flat.

FLEECE BLANKETS - Please make these with only a single layer of fabric, and be sure to cut off the selvages (white border with lettering) before you begin. Want to knot your fringes? Great! But please do not make bulky knots. Try simply knotting each fringe loosely to itself so the blanket can lie flat.

No sew blanket instructions:
